October 20, 2023

Dear Chandra Kundu,

It is my pleasure to inform you that you have been selected as recipient for the **COS Dean's Doctoral Fellowship** – congratulations! This one-time fellowship recognizes your academic accomplishments as well as your dedication and contributions to excellence in teaching undergraduate students. You should be proud of this accomplishment, which is a credit to you, your advisor, and your program.

The fellowship is for \$5,000 to be split into two equal payments, one in fall and one in spring semester. The fellowship will be processed through the Office of Student Financial Assistance and be reflected on your Financial Aid Award Summary, found on your myUCF: Student Self Service. Once the Office of Student Financial Assistance receives the funds they will update your file accordingly. If additional information is needed you will be contacted via your UCF email.

Once again, congratulations, and thank you for your contributions to your program and UCF!

I wish you the very best for completing your doctoral degree.

Sincerely,

Maggy Tomova
